## ***There's A Trail***

*There's a trail that goes to the sunset end...*

*It's a lonesome trail and far.*

*And we say goodbye to many a friend*

*Who rides toward the evening star.*

*But out there somewhere beyond the skies*

*There's a ranch with a crossbar brand,*

*An outfit of unearthly size*

*That a wise Big Boss has planned.*

*And all who enter that heavenly door*

*Find a joyful trail to ride*

*With loved ones who have gone before*

*Riding side by side.*
